Dear Mr. Adams:

Re: Beryl-Enterprise River
Distribution System
Account 05-32

Ron Johnson of the LDS Church, Natural Resources Department has informed us you own a water right which is regulated under the Beryl-Enterprise River Distribution System. The account number associated with this right is 05-32 and our records show the previous owner was the LDS Church.

The distribution system is regulated by the State Engineer under authority of Section 73-5-1, Utah Code Annotated, 1953, As Amended, to insure orderly distribution of water based on water rights. A budget is set and assessments are made each year to meet the expenses of the distribution system including the commissioner's salary. The budget and assessments are set by the water users at the annual distribution meeting with the State Engineer. If assessments are not paid by June 1st, a delinquent penalty of 10% is added.

If you have any questions, please either call the River Commissioner, Clair Hunt at 801-878-2230, the Area Engineer, Gerald Stoker at 801-586-4231 or myself at 801-538-7380.

Sincerely,

Lee H. Sim, P. E.
